Arthrex Hosts Free Patient Education Event

(NAPLES, Florida – April 29, 2022) – Arthrex, a global leader in minimally invasive orthopedic technology, is inviting the community to a unique patient education experience at its state-of-the-art corporate headquarters.

The Arthrex Orthopedic Patient Education Seminar gives attendees the opportunity to learn first-hand from leaders in orthopedic surgery about treating common sports injuries, preserving joint function and the latest in minimally invasive options and treatments. To date, Arthrex has introduced more than 20,000 product innovations and develops more than 1,000 new products each year. Arthrex is responsible for helping treat more than 20 million patients every year, ranging from elite-level athletes to active adults and weekend warriors.

WHAT: Arthrex Orthopedic Patient Education Seminar
WHEN: Monday, May 2, 2022, 8:30 – 11:30 a.m.
WHERE: Arthrex One, 1 Arthrex Way, Naples, FL 34108
COST: Free

Attendees are invited to an optional tour, where they'll get a first-hand look at the company's newly expanded and growing facilities. The tour is available to a limited number of registered guests, and participants should be comfortable with a 45-minute walk.

Limited seats are available, and all participants must RSVP for the event in advance online at: https://arthrex.info/OPES2022. Please use the registration site to indicate whether you are also interested in the optional tour. Event updates will be sent to each registrant's provided e-mail address.

Parking is available in the parking garage of Arthrex One, with access on Creekside Parkway. A light breakfast and beverages will be provided to all registered guests.

About Arthrex

Arthrex Inc., headquartered in Naples, Florida, is a global leader in orthopedic surgical device design, research, manufacturing and medical education.
