

Arthrex Recognized as One of the Top 5 Best Workplaces in Manufacturing & Production™ in the Country

(NAPLES, Florida – September 5, 2023) – Arthrex, a global leader in minimally invasive surgical technology, announced that Great Place To Work® and *Fortune* magazine have named the company in the top 5 on the 2023 Fortune Best Workplaces in Manufacturing & Production™ List. This is eighth year Arthrex has been named to this prestigious list, this year coming in at 5th place. Earning a spot means that Arthrex is one of the best companies to work for in the country.

“We are honored to be recognized as one of the country’s Best Workplaces in Manufacturing & Production once again this year,” said Vice President of Manufacturing Andy Owen. “This is all thanks to our dedicated manufacturing employees who are committed to our mission of Helping Surgeons Treat Their Patients Better® and to making innovative products in America that improve the quality of life for millions around the world.”

The Best Workplaces in Manufacturing & Production list is highly competitive; it is determined by Great Place To Work, widely known as the global authority on workplace culture. Great Place To Work uses its proprietary For All™ Methodology to evaluate and certify thousands of organizations in America’s largest ongoing annual workforce study, based on over 1.3 million survey responses and data from companies representing more than 7.5 million employees this year alone. Survey responses reflect a comprehensive picture of the workplace experience for all employees.

“While Arthrex continues to experience unprecedented growth and hiring around the world, we never waiver from our cultural purpose and core value of Making People Better,” said Senior Vice President of Human Resources Kathy Sparrow. “Every employee has a significant role at Arthrex, and this recognition is a testament to how our meaningful work impacts the employee experience and makes us Arthrex Proud.

The Best Workplaces in Manufacturing & Production list is one of a series of rankings by Great Place To Work and *Fortune*, based on employee feedback from Great Place To Work Certified™ organizations. In the past, Arthrex has also ranked as one of the Fortune 100 Best Companies to Work For® and has received other Great Place To Work designations, such as:

- Best Workplaces for Diversity
- Best Workplaces for Millennials
- Best Workplaces for Giving Back
- Best Workplaces for Latinos
- Best Workplaces for Women
- Best Workplaces in Southern California
- Best Workplaces in Mexico
